**NOTICE FOR METRO CLOSURE** - BROOKLAND-CUA STATION and Rhode Island Avenue-Brentwood stations on DC Metro's Red Line WILL BE CLOSED DURING THE TIME OF EIC DETECTOR R&D MEETING (JULY 26-JULY 27).

OPTIONS TO GET TO CUA:
1. **By metro:** Free shuttle buses will provide alternate service to CUA from the nearby metro stations, NOMA-Gallaudet and Fort Totten:

   - If you travel from the south, use Red line trains between Gallery Place and NOMA-Gallaudet. Alternatively, you can take the Green or Yellow line trains to Fort Totten (adds up to 15 minutes to your trip)
   - If you travel to/from Red Line stations north of Fort Totten use Green or Yellow line trains between Fort Totten and Gallery Place

   The CUA/Brookland shuttle stop is at the bus bay (https://www.wmata.com/rider-guide/stations/brookland.cfm). You can use the underpass through the metro station to reach the CUA side. For additional information, see: https://www.wmata.com/service/status/2018-Rhode-Island-Brookland-Shutdown.cfm

2. **By hotel shuttle:** All recommended hotels provide **shuttle service** to a nearby metro station. See https://www.jlab.org/conferences/eicugm18/lodging.html for lodging options.

3. **By uber/lyft:** Can take Uber to campus- for destination on app, type "Caldwell Hall at CUA". Will bring you to the side facing opposite to Leahy Hall (refer to map of Caldwell hall)

4. **By car:** If coming by car, parking space is available in the parking garage attached to the CUA Columbus School of Law (3600 John McCormack Dr NE). Can input "Columbus School of Law" on google maps. Refer to CUA Campus Map for exact location of parking garage. It is facing west of Columbus School of Law when coming from Michigan Ave NE → John McCormack Dr NE.
